New Forms

By now, all liquor agencies have received four new and revised forms: Special Order Form; Special Order Price Request Form; Credit Form For Out Of Stock Sale Items; and Credit Form For Defective Merchandise.

Please discard all old forms and begin using these new forms immediately. Instructions for completing a form can be found on the back of that form.

Please note an important change on the Credit Form For Out Of Stock Sale Items. The columns reading "Invoice Ordered On" and "Invoice Received On" should instead read "Invoice # Ordered On" and "Invoice # Received On." The columns refer to the invoice number for the items listed, not the date of the order or the invoice. Using the invoice number in these columns will facilitate the credit process. We apologize for any confusion.

When using the Credit Form For Defective Merchandise, please either fax it or mail it. You do not need to do both.

If you have any questions or comments on this topic or any other, please feel free to call the Liquor Team at 1-800-332-6135.
